

About Us

M&L Aggregate is owned by two lifelong York County residents. Les Leighton & John MacLeod set out in 2021 to start a Landscape/Excavation Aggregate supply & disposal yard to service the seacoast of Southern Maine, with an emphasis on customer service and quality of product. M&L looks to establish itself as a go to area for both contractors and homeowners. Les has a long time background in material production & excavation. John's career has revolved around the landscape industry. Combining these two backgrounds Les and John are acutely aware of the specific needs of contractors in these fields. If you require an aggregate that is not listed, Just call! We will try to accommodate you as best we can. We look forward to seeing you!

Have yourself a great day!

Tree Removal Services!

Our Own Mulch!

| Disposal Rates | Per Yard |
|--|----------|
| Stumps | \$8.00 |
| Brush mixed with dirt/Roots | \$8.00 |
| Clean Brush, Limbs, Logs etc | \$6.00 |
| Leaves, Grass, Garden Debris or Other Compostables | \$6.00 |
| Clean Concrete Products (Pavers, Bricks, Blocks etc - No Paint, No other demo debris mixed in) | \$15.00 |
| Clean fill, Rocks, Soils etc (Must be free of invasive species. No bamboo, bittersweet etc,) | \$3.00 |
| <p><u>Please be mindful to keep trash and other debris out of the material being dumped. At best, it causes added work and expense. At worst, it can damage equipment being used to process different materials. Please also be mindful that we ABSOLUTELY DO NOT ALLOW BITTERSWEET, BAMBOO or any other invasive species.</u></p> <p><u>Please note if a mixed load comes in, you may be charged a higher rate to cover our costs of sorting the product. This may be a stump yardage charge for brush mixed with dirt, for example. While we will always be reasonable with our customers, we need to make sure we are covering our overhead with the extra time it takes to sort.</u></p> | |
